Summary of Experience

Applicants are to complete this section and supplement with any additional documentation / CPD records as indicated below.

Technicians to demonstrate a minimum of one year’s experience in a Technician role in the concrete industry, including CPD, (or two years’ experience for those not holding the required CT&C or CGLI certificates.)

Affiliates to demonstrate a minimum of two years’ experience, including CPD, in a relevant position, (or three years’ experience for those not holding the required CT&C or CGLI certificates.)

Associates to demonstrate a minimum of two years’ experience, including CPD, in a supervisory position relating to concrete technology, (or three to five years’ experience for those not holding the required CT&C or CGLI certificates.)

Members to submit a separate Technical & Managerial/Supervisory Experience Report demonstrating a minimum of three years’ relevant experience including CPD records for those with a Diploma or MSc in Advanced Concrete Technology (or ten years’ experience for non-Diploma holders). Also, a technical report – see Routes to Membership

Please continue on a separate sheet if needed, append your CPD record and any supporting documents, such as certificates and testimonials, and forward by either post or email to the following address:

Institute of Concrete Technology, 4 Meadows Business Park, Blackwater, Camberley, GU17 9AB, UK
